SUPPLEMENTAL DIRECT TESTIMONY

OF

JEFF L. DODD

Case No. ER-2010-0165

1 **Q: Please state your name and business address.**

2 A: My name is Jeff L. Dodd. My business address is One Ameren Plaza, St. Louis,
3 Missouri.

4 **Q: Are you the same Jeff L. Dodd who filed direct testimony in this case on November**
5 **25, 2009?**

6 A: Yes.

7 **Q: Why are you filing this supplemental direct testimony at this time?**

8 A: The table appearing at page 4 of my November 25, 2009 direct testimony inadvertently
9 showed negative cents per kilowatt-hour adjustments. Those adjustments should have
10 been positive (i.e., to reflect an increase in the FPA_c rate for each voltage level).
11 Consequently, I am reproducing that same table here, but to reflect the correct, positive
12 adjustment amounts:

13

<u>Customer Voltage Level</u>	<u>Cents per kWh Adjustment</u>
Secondary	0.014 ¢/kWh
Primary	0.014 ¢/kWh
Large Transmission	0.013 ¢/kWh

1 **Q: Were the tariff sheet, workpapers and all other supporting documentation filed on**
2 **November 25, 2009 correct?**

3 **A:** Yes. The tariff sheet, workpapers and other supporting documentation filed on that date
4 properly reflected the positive adjustment amounts shown in the table above.

5 **Q: Does this conclude your supplemental direct testimony?**

6 **A:** Yes, it does.
