Thank you for submitting your 2008 Annual Report to the Missouri Public Service Commission. The initial review of your 2008 report has been completed and no procedural errors or omissions were identified during this review with the exception of the Non-Public box being unintentionally checked on the front cover. On 04/13/09, this issue was discussed via phone with Alecia Monroe, the annual report contact for the company. At that time she indicated that the company had unintentionally filed a Non-Public submission and that a Public designation was acceptable. **Therefore, the report will be entered in the Commission's system as Public, if this is NOT correct, please notify me immediately.**

In addition, for informational purposes:

1. Your response to page 1, question 2a, was incorrect for the CLEC portion. The latest effective date for the CLEC portion is **10/07/2005** instead of 07/22/2004 as submitted. Your response to page 1, question 2a, was omitted for the IXC portion. The latest effective date for the IXC portion is **09/05/2005**. Please include this information on any future submissions.
2. Your response to page 1, question 2a, was omitted for the IXC portion. The latest case number is **XA-2006-0032**. Please include this information on any future submissions.

Since no other problems exist at this time, your report has been accepted and placed on file with the Commission. This report was only reviewed for procedural errors and omissions and is not a financial statement attested to by the Commission.

While your report has been initially accepted by the Commission, further reviews are possible based upon the types of information provided. Should a subsequent review reveal deficiencies not previously identified, you will be notified of the deficiencies and actions you are required to take.

The above response is for informational purposes only and **DOES NOT REQUIRE A COMPANY RESPONSE**, however, if you have any questions, please feel free to contact me. When contacting the Commission concerning your report, please reference the following identification number: **BMAR-2009-1376 and BMAR-2009-1432**.

Sincerely,

Lisa Ferguson
