Subject: Pacific South Telecom Inc_IXC_2008 Missouri Public Service Commission Annual Report_Informational Email

Thank you for submitting your 2008 Annual Report to the Missouri Public Service Commission (Commission). I have reviewed your report and have found the following omission / error:

1. Your response to page 1, question 2a, was incorrect. The latest effective date is **04/13/08** instead of 04/03/08 as submitted. Please include this information on any future submissions.

The Commission's Data Center recognizes that "the certification date and case number shall be that of the original certification unless a name change, entity change (Corp. to LLC, etc.) or merger/sale has occurred. In those instances, the effective date and case number shall be that of the latest case on file for one of these occurrences." The effective date can be found at the end of the order for the case and is not the date of the order itself.

For your convenience, in lieu of requiring a resubmission of all or part of your annual report, I have provided the Commission's Data Center with a copy of this email to be filed in conjunction with your annual report, which will be sufficient to accept your filing. In the future however, please include the information as listed above.

The above item is for informational purposes only and **DOES NOT REQUIRE A COMPANY RESPONSE**, however, if you have any questions; please feel free to contact me. When contacting the Commission concerning your report, please reference the following identification number: **BMAR-2009-0759**.

Sincerely,

Lisa Ferguson
