**Subject:** Infotelecom LLC - CLEC - IXC - 2009 MOPSC Annual Report Review - Complete

Thank you for submitting your 2009 Annual Report to the Missouri Public Service Commission (Commission). I have reviewed your report and have found the following omissions / errors:

1. On page 1 you had checked only the Competitive Local Exchange Telecommunications Company (CLEC) box. Commission records state you are also an Interexchange Telecommunications Company (IXC); if our records are incorrect, please contact the Commission as soon as possible. However, if you agree with our records then no further response on behalf of the Company regarding Staff's initial review is required. This response has been reviewed only for procedural errors and omissions and is not a financial statement attested to by the Commission.

While your report has been initially accepted by the Commission, further reviews are possible based upon the types of information provided. Should a subsequent review reveal deficiencies not previously identified, you will be notified of the deficiencies and any actions you are required to take.

For your convenience, in lieu of requiring a resubmission of all or part of your annual report, I have provided the Commission's Data Center with a copy of this email to be filed in conjunction with your annual report, which will be sufficient to accept your filing. In the future however, please include the information as listed above.

The above item(s) is/are for informational purposes only and **DO(ES) NOT REQUIRE A COMPANY RESPONSE**, however, if you have any questions; please feel free to contact me. When contacting the Commission concerning your report, please reference the following identification numbers: **[BMAR-2010-0900](#) & [BMAR-2010-0957](#).**

Sincerely,

Mike Straub
