Subject: Annual Report Deficiency for Infotelecom, LLC (BMAR-2011-1108 and BMAR-2011-1022)

This email is a deficiency notice for your annual report. Your annual report is considered deficient until the following issue(s) are addressed:

The annual report's identification of the certificates/registrations held by the company fail to match Missouri PSC records. *(Specifically the annual report only indicates the company has a CLEC certificate but MoPSC records indicate the company also holds an IXC certificate.)*

Please resubmit your revised annual report in its entirety to correct the deficiency. Any revised annual report/response must be filed within the Missouri Commission's Electronic Filing and Information System (EFIS) using the identification number previously supplied upon your initial annual report submission to the Commission.

Please be aware that per Commission rule 4 CSR 240-3.540(4) a company is required to respond within 20 days of being notified of a deficiency in a company's annual report. Failure to respond within 20 days may subject the company to a penalty of \$100 per day that it is late in filing a response to the deficiency.
