**EDRA MOTION FOR CLARIFICATION**

COMES NOW the Empire District Retired Members and Spouses Association (EDRA), by and through counsel, and with respect to the above-captioned matter states as follows:

On April 15, 2020, the Parties jointly filed a *Global Stipulation and Agreement* settling many of the issues in this case.<sup>1</sup> At paragraphs 27 and 28 at pages 10-11 of the *Global Stipulation and Agreement*, the Company agrees to provide certain documents to a designated EDRA contact in the years 2020-2026, and also to provide a contact person for EDRA to contact regarding these matters:

27. The Company shall provide, to a designated EDRA contact, the following documents of The Empire District Electric Company in the years 2020-2026:
- a. IRS filings (specifically Form 5500 for each plan),
  - b. Actuarial valuation reports,
  - c. Financial disclosures,
  - d. Annual funding notice to pension plan participants,
  - e. Annual health care premium and coverage letter to retirees,
  - f. FERC Form 1 and summary and full annual reports

---

<sup>1</sup> Electronic Filing Information System (EFIS), Item No. 220; Exhibit No. 750, EFIS, Item No. 602.

28. In addition, the company will designate a contact for these matters.

In its July 1, 2020 Report and Order, the Commission addressed each of the issues that were still in dispute in this case. However, the Commission did not address or approve the resolutions contained in the *Global Stipulation and Agreement* for those issues that were “no longer in dispute.” As with any other stipulation, the resolution for the issues that were no longer in dispute requires an affirmative action by the Commission. Specifically, the Commission may either approve the unopposed resolution contained in the Stipulation or the Commission may, based upon the competent and substantial evidence in this case, reach its own independent decision.

Through this Motion for Clarification, EDRA requests that the Commission approve the resolutions for the EDRA retirements provisions contained in the *Global Stipulation and Agreement* that were not opposed by Public Counsel or any other party.

**WHEREFORE**, EDRA respectfully requests that the Commission approve the resolutions 27 and 28 contained in the *Global Stipulation and Agreement*.

Respectfully Submitted,

By: /s/ Terry M. Jarrett
