ORDER DIRECTING FILING

Issue Date: June 28, 2006

Effective Date: June 28, 2006

Syllabus: This order directs Union Electric Company, d/b/a AmerenUE (“AmerenUE”), to correct the deficiencies in its application for a variance from 4 CSR 240-20.050, and directs its Variance Committee to file its recommendation on the application.

On June 27, 2006, AmerenUE filed an application requesting that the Commission grant it a variance from 4 CSR 240-20.050 and Section II.K Non-Standard Service of the Company’s Schedule 5 – Schedule of Rate for Electrical Service. AmerenUE’s application is deficient and supplemental pleadings are ordered to be filed with the Commission.

Commission Rule 4 CSR 240-060(4) requires that all applications for a variance must comply with 4 CSR 240-2.060(1). Commission Rules 4 CSR 240-2.060(1)(K), and (L), state:

(1) All applications shall comply with the requirements of these rules and shall include the following information:

(K) A statement indicating whether the applicant has any pending action or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or rates, which

action, judgment or decision has occurred within three (3) years of the date of the application;

(L) A statement that no annual report or assessment fees are overdue.

AmerenUE's application did not comply with the parts of Commission Rule 4 CSR 240-2.060(1) cited above in that it did not include the required statements. AmerenUE will be required to file a supplemental pleading curing these defects.

Commission Rule 4 CSR 240-20.050(5)(C)(1) requires the Commission's Variance Committee to consider all variance applications from this rule and make a written recommendation of its findings to the Commission. The Variance Committee will be directed to file its recommendation.

IT IS ORDERED THAT:

1. Union Electric Company, d/b/a AmerenUE, shall file, no later than July 18, 2006, a supplemental pleading which shall include a statement indicating whether it has any pending action or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or rates, which action, judgment or decision has occurred within three (3) years of the date of this application.

2. Union Electric Company, d/b/a AmerenUE, shall file, no later than July 18, 2006, a supplemental pleading which shall include a statement indicating that no annual report or assessment fees are overdue.

3. No later than July 28, 2006, the Variance Committee of the Missouri Public Service Commission shall file its recommendation.

4. This order shall become effective on June 28, 2006.
