Motion to Withdraw Proposed Tariff Revisions

COMES NOW Cinergy Communications Company ("CCC"), by its undersigned counsel, and hereby respectfully requests that this Commission grant CCC's Motion to Withdraw Proposed Tariff Revisions. In support of this request, CCC states as follows:

On January 7, 2004, CCC filed a proposed tariff designed to modify existing tariff language concerning taxes and to add new language regarding regulatory charges. On January 29, the Missouri Public Service Commission reviewed the proposed tariff, Tariff File No. JC-2004-0832, during its regular Agenda session. Following the session, the proposed tariff was suspended to allow for additional investigation. After further research, CCC has determined that the proposed modifications had been inappropriately filed with the Missouri Public Service Commission.

WHEREFORE, Cinergy Communications Company requests that this Commission grant its Motion to Withdraw Proposed Tariff Revisions, and further requests that the pending investigation and case be closed accordingly.

Respectfully Submitted,
