Case No. IE-2009-0357

Dear Judge Dale:

Attached for filing with the Commission is a copy of the handout AT&T Missouri plans to distribute at the local public hearing scheduled for Wednesday, July 8, 2009, in St. Louis.

We would appreciate your bringing this to the Commissioners' attention and making it part of the record in this case. Thank you for your attention to this matter.

Very truly yours,

AT&T Missouri's Directory Proposal

St. Louis Public Hearing Handout

- **AT&T proposes to change (not eliminate) the delivery of the large St. Louis metropolitan residential white page directory so only those who want one will receive one thus saving the printing of unused books.**
- **It's your choice. You simply call an 800 number to receive your free printed copy if you choose to receive one.**
- **AT&T's smaller community directories and the metropolitan Yellow Pages will continue to be delivered.**
- **The Yellow Pages will continue to include business listings, government listings, emergency numbers, and other important consumer information.**
- **We'll notify you when the new metropolitan residential white page directory is available so you can call to receive one by including information with the delivery of the Yellow Pages book.**
- **We will also work with the media to educate the public on obtaining listing information including your choice to receive a free printed copy of the directory.**
- **You may obtain free listings by visiting AT&T's websites: www.RealPagesLive.com and www.YellowPages.com**
