vs

**Missouri Public
Service Commission**

Union Electric Company a/k/a Ameren Missouri
Respondent,

**MOTION TO EXTEND TIME TO ANSWER THE PRELIMINARY
RESPONSE TO THE FORMER REGULATORY JUDGES REPORT
AND ORDER**

Comes now, Mr. Craig Mershon asking for more time to finish the preliminary response he has started so that the new Regulatory Judge can review it. Mr. Mershon is still working on the Report and Order from the former Regulatory Judge Mr. Daniel Jordan. Mr. Mershon has completed twelve pages of the document he is working on at this time. He does not have that far to go. He wants to finish it so the new Regulatory Judge can review his comments. Since he was not able to get any rules and regulations because Mr. Jordan, Ms. Sarah Giboney, Attorney, Smith and Lewis LLP and Mr. Jeffrey Keevil, Attorney, Missouri Public Service Commission refused to give him any documents he requested it should not take that much longer for Mr. Mershon to complete this preliminary response. Two other motions to this document are forthcoming because Mr. Jordan has his own version and the Commissioners have their own version.

Mr. Mershon's version has not been heard. Mr. Mershon is requesting 10 more days to complete his document. He is quite sure he may have it completed before that time so the Regulatory Judge can review it. The document Mr. Jordan submitted has 24 pages and Mr. Mershon is on page 19 of that document.

Respectively submitted,

Craig D Mershon
