Mr. Ceguera,

This email is to notify you that the Missouri Public Service Commission has not received your revised annual report as requested in the previous deficiency email sent to you on [8/26/10](#), therefore your response is considered **PAST DUE**.

As stated in that email, the Commission's rule 4 CSR 240-3.540 (4) states that a utility company which receives a notice of deficiency for the information provided in the annual report shall respond to that notice within **20 days**, or the utility company is subject to a **penalty of \$100 for each day** that it is late in filing its response to the deficiency.

I have tried to contact you regarding this deadline, but have not yet received your filed response. If you are in the process of sending the revision, have already done so or need assistance in the matter, please contact me so that I can notate the information in your file to prevent further action.

You must respond **immediately**, in order to prevent your file from being forwarded to our General Counsel's office.

When contacting the Commission concerning your report, please reference the following identification number: **BMAR-2010-1781**.

**A COMPANY RESPONSE TO THE ABOVE DEFICIENCY(CIES) IS REQUIRED.**

Sincerely,

*Erin Carle*
