MCC Telephony of Missouri, LLC

for the calendar year of January 1 - December 31, 2008

9. Please provide the following information concerning the company's revenues for this calendar year:

1. Local Service Revenues includes revenues attributed to local telecommunications services, extended area service, secondary features such as call forwarding, caller ID, local operator services, directory-related services, etc. and for VoIP service. 2. Interexchange Revenues includes revenues attributed to interexchange telecommunications services such as toll services, 800 services, interexchange extended area services, 800 services, interexchange extended access or private line services (but not special access or private line services). 4. Bundled or Packaged Revenues includes any revenues whereby the company is providing voice services in combination with multiple services whereby revenue can not be easily attributed to local, interexchange or non-switched categories. If such bundles includes Internet, video or some non-regulated service then the company's revenue shall be based on the company's rate offer for solely voice services. The excess revenue associated with the bundled service which is over the amount related to revenue associated with voice only service shall be recorded in the Total Company column. If voice service is only offered as part of a bundled service, the company shall identify all revenue associated with the bundled services in the Missouri Jurisdictional column. 5. Retall Uncollectible Revenues from telecommunications revenues. (This amount is generally a negative number.) 6. RETAIL SUBTOTAL (This amount special access service revenues, carrier billing and collection revenues, and any other revenues derived from other telecommunications carriers. 9. Other Uncollectible Revenues includes directory revenues, rent revenues, corporate operations revenues, special billing arrangements, customer operations, plant operations, other incidental regulated revenues, and other revenues settlements.	ny ¹
such as call forwarding, caller ID, local operator services, directory-related services, etc. and for VoIP service. 2. Interexchange Revenues includes revenues attributed to interexchange telecommunications services such as toll services, 800 services, interexchange Revenues includes revenues attributed to retail local and interexchange private line services (but not special access or private line services provided to other telecommunications carriers). 4. Bundled or Packaged Revenues includes any revenues whereby the company is providing voice services in combination with multiple services whereby trevenue can not be easily attributed to local, interexchange or non-switched categories. If such bundles includes Internet, video or some non-regulated service then the company's revenue shall be based on the company's rate offer for solely voice services. The excess revenue associated with the bundled service which is over the amount related to revenue associated with voice only service shall be recorded in the Total Company column. If voice service is only offered as part of a bundled service, the company shall identify all revenue associated with the bundle of services in the Missouri Jurisdictional column. 5. Retail Uncollectible Revenues from telecommunications revenues. (This amount is generally a negative number.) 6. RETAIL SUBTOTAL (This amount should equal the total of Rows 1 - 5 above.) \$ - \$ 7. Wholesale Revenues includes intrastate switched, private line, and special access service revenues, carrier billing and collection revenues, and any other revenues derived from other telecommunications carriers. 9. Other Uncollectible Revenues from other revenues. (This amount is generally a negative number.) 10. High-Cost Federal USF Revenues includes all revenues received as support from the Universal Service Fund for the High-Cost program. N/A	
services, etc. and for Voll's service. 1. Interexchange Revenues includes revenues attributed to interexchange telecommunications services such as toll services, 800 services, interexchange 3.
