Missouri Public Service Commission

To whom it may concern:

I would like my name removed from the from case/file #EC-2016-0199.

Missouri Public
Service Commission

I have no interest or knowledge in reference to this case and did not fully understand that i was joining any court proceedings when i signed the document. I thought it was merely a petition.

So again please remove my name: Kent Walker
303 Amanda Dr
Ashland, MO. 65010

Thank you

A handwritten signature in cursive script that reads "Kent Walker".
