ORDER DISMISSING MOTION FOR PROPOSED RULEMAKING

Issue Date: May 4, 2011

Effective Date: May 14, 2011

On July 7, 2010, the Office of the Public Counsel filed a motion asking the Commission to revise its procedural rules to address specific concerns about three sections of those rules. Rather than revise its rules to address just the three concerns raised by Public Counsel, the Commission chose to revise all its procedural rules. The Commission considered those revisions in File No. AX-2011-0094 and the proposed revision of those procedural rules was published in the Missouri Register on April 15, 2011. Those revisions include all the changes proposed by Public Counsel.

Since the Commission has addressed Public Counsel's concerns in a different case, the rulemaking proposed in this case is unnecessary. For that reason, the Commission will dismiss Public Counsel's motion and close this case.

THE COMMISSION ORDERS THAT:

1. The Motion for Proposed Rulemaking filed by the Office of the Public Counsel on July 7, 2010, is dismissed.

2. This order shall become effective on May 14, 2011.
