ntta.tax@global.ntt

The following information is to be kept under seal:

All information identified as confidential on the Confidential Annual Report filed with the Commission

The reasons the specific information should be closed record:

- 1) NTT America, Inc. is a privately held company and does not release financial information.
- 2) NTT America, Inc. provides only IVoIP service and reports those line counts separately. The company is required by the Commission to submit those customer line counts as confidential.

We attest that none of the information is available to the public in any format. Attached to the annual report is verification that we have 1) examined the foregoing report; that to the best of our knowledge, information, and belief, all statements of fact contained in the said report are true and the said report is a correct statement of the business and affairs of NTT America, Inc., and 2) examined (and updated as applicable) the Company's contact information in EFIS; to the best of our knowledge, information, and belief, all listed contacts are correct. This electronically signed verification filed with the Confidential Annual Report shall act as required affidavit.

If you have any questions, feel free to give me a call at (720) 362-8200 or contact us by email at ntta.tax@global.ntt

Thank You

/s/ Ed Endicott
