Effective Date: March 5, 2023

On February 8, 2023, PC Express MO LLC, pursuant to Section 392.550, RSMo, filed an application for registration to provide Interconnected Voice over Internet Protocol services in the following exchanges:

Statewide in Missouri and Arkansas

The Commission has reviewed the application and finds that it and the attached affidavit comply with the filing requirements set forth in Section 392.550, RSMo. The Commission will register the applicant for service in Missouri, but, of course, has no authority to offer registration in Arkansas. The affidavit attached to the application represents that the company has not had contact with the office of the Commission about any substantive issue connected to the filing within 60 days before filing the application. This order will be issued with less than a 30-day effective date to comply with Section 392.550, RSMo.

THE COMMISSION ORDERS THAT:

1. PC Express MO LLC is registered to provide Interconnected Voice over Internet Protocol services statewide in Missouri as set forth in the affidavit attached to the application and restated above.
