**Subject:** Annual Report Deficiency for CenturyLink Solutions (BMAR-2012-1283)

This email is a deficiency notice for your annual report. My apologies for not catching this when you submitted the original report. Your annual report is considered deficient until the following issue(s) are addressed:

The annual report's identification of the certificates/registrations held by the company fail to match Missouri PSC records. Our records indicate CLEC and IXC should be selected.

Please resubmit your revised annual report in its entirety to correct the deficiency. Any revised annual report/response must be filed within the Missouri Commission's Electronic Filing and Information System (EFIS) using the identification number previously supplied upon your initial annual report submission to the Commission, which is in the subject of this email.

Please be aware that per Commission rule 4 CSR 240-3.540(4) a company is required to respond within 20 days of being notified of a deficiency in a company's annual report. Failure to respond within 20 days may subject the company to a penalty of \$100 per day that it is late in filing a response to the deficiency.
