ORDER DIRECTING FILING AND NOTICE OF CORRECTION

Issue Date: July 1, 2005

Effective Date: July 1, 2005

On June 28, 2005, the Commission issued its Order Approving Application to Transfer Assets. That Order failed to require Aquila, Inc., to notify the Commission when the transfer of assets has been completed. The Commission will correct that omission and leave this case open pending the filing of a notice by Aquila that the transfer has taken place.

In addition, the Order incorrectly states that Commissioner Linward "Lin" Appling will be filing a separate concurrence. The voting notation should be corrected to show that Commissioner Appling voted in favor of the Order but no concurrence will follow.

IT IS THEREFORE ORDERED:

1. That Aquila, Inc., shall file a notice within 20 days of the completion of the transfer of assets.
2. That the voting notation on the Order Approving Application to Transfer Assets is corrected as stated above.

3. That this order shall become effective on July 1, 2005.
