Subject: Dial-Around Telecom Resubmission Issue

I have reviewed the resubmission of the company's 2007 Annual Report and have found that question #8 remains blank. This information is needed because the state of organization cannot be assumed to be the same as the state mentioned on the verification page. Otherwise, the report is correct. If you can submit this another time with this additional change then I can review the annual report and hopefully remove the deficiency. Thank you.
