

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of the Application of KCP&L	)	
Greater Missouri Operations Company	)	Case No. EO-2008-0216
Containing Its Annual Fuel Adjustment	)	
Clause True-Up	)	

**APPLICATION OF KCP&L GREATER MISSOURI OPERATIONS COMPANY  
CONTAINING ITS FUEL ADJUSTMENT CLAUSE TRUE UP**

Pursuant to 4 CSR 240-3.161(8) and 4 CSR 240-20.090(5), KCP&L Greater Missouri Operations Company (“GMO”) hereby respectfully submits to the Missouri Public Service Commission (“Commission”) an application (“Application”) containing GMO’s annual fuel adjustment clause (“FAC”) true up to remedy an under collection of approximately \$1.1 million for the territory formerly served by Aquila Networks-MPS and an under collection of approximately \$189 thousand for the territory formerly served by Aquila Networks-L&P. GMO respectfully requests that the Commission approve the under collection amounts as calculated by GMO and authorize GMO to include those amounts in its next accumulation period. In support of its Application, GMO offers as follows:

1. GMO is a Missouri corporation with its principal office and place of business at 1201 Walnut, Kansas City, Missouri 64106-2124. GMO is primarily engaged in the business of generating, transmitting, distributing, and selling electric energy in portions of northwestern Missouri. GMO is an electrical corporation and public utility as defined in Mo. Rev. Stat. § 386.020 (2000). GMO provided its certificate authorizing it to do business in Missouri as a foreign corporation in Case No. EN-2009-0164. That certificate is incorporated herein by reference pursuant to 4 CSR 240-2.060(G).

2. GMO holds Certificates of Convenience and Necessity from the Commission to transact business as an electric public utility in certain areas of the State of Missouri and is principally engaged in the generation, transmission, distribution and sale of electric power and energy. GMO has no pending action or final unsatisfied judgments or decisions against it from any state or federal agency or court that involve customer service or rates, which has occurred within three years of the date of this Application. In addition, no annual report or assessment fees are overdue.

3. In addition to undersigned counsel, pleadings, notices, orders and other correspondence and communications concerning this Application should be addressed to:

4. In its Report and Order issued May 17, 2007, in Case No. ER-2007-0004, the Commission approved GMO's use of a FAC pursuant to 4 CSR 240-3.161 and 4 CSR 240-20.090. On February 14, 2008, the Commission issued an order, as clarified by separate order issued February 26, 2008, both in the above-captioned case approving GMO's initial FAC rate schedules effective March 1, 2008.

5. As explained in the Direct Testimony of Tim Rush, being submitted herewith, during GMO's first recovery period, GMO under collected approximately \$1.1 million for the territory formerly served by Aquila Networks-MPS and under collected approximately \$189 thousand for the territory formerly served by Aquila Networks-L&P.

6. In support of its Application and pursuant to 4 CSR 240-3.161(8)(A), GMO is filing the following information herewith: “1. Amount of costs that it has over-collected or under-collected through the RAM by rate class and voltage level; 2. Proposed adjustments or refunds by rate class and voltage level; [and] 3. Electric utility’s short-term borrowing rate.” Moreover, in further support of its Application and pursuant to 4 CSR 240-3.161(8)(B), GMO is submitting the following information to the Commission and serving it upon the parties: “1. Workpapers detailing how the determination of the over-collection or under-collection of costs through the RAM was made including any model inputs and outputs and the derivation of any model inputs; 2. Workpapers detailing the proposed adjustments or refunds; [and] 3. Basis for the electric utility’s short-term borrowing rate.”

7. Based on the information contained in this Application and provided herewith, GMO respectfully requests that the Commission approve the under collection amounts as calculated by GMO and authorize GMO to include those amounts in its next accumulation period.

Respectfully submitted,
