Subject: Global Internetworking, Inc. 2002 Missouri annual report

Thank you for submitting the 2002 annual report. I have reviewed the report and according to our records the correct response to page 1, item 6, certification date should be June 3, 2002 and the associated case number should be XA-2002-1042. Please include this information in future annual report submissions.

In addition, please provide a response to page 4, item 12, type of federal tax return filed. Please email this information to me as soon as possible and I will have it included with the annual report submission.

Please email or call if you have any questions.
