ORDER DENYING APPLICATION FOR REHEARING

Issue Date: May 26, 2011

Effective Date: May 26, 2011

On April 27, 2011, the Commission issued a report and order regarding the first prudence review of costs subject to the fuel adjustment clause of Union Electric Company d/b/a Ameren Missouri. That report and order became effective on May 7. On May 6, Ameren Missouri filed a timely application for rehearing.

Section 386.500.1, RSMo (2000), indicates the Commission shall grant an application for rehearing if "in its judgment sufficient reason therefor be made to appear." Ameren Missouri's application for rehearing restates positions the Commission has previously rejected in its report and order. In the judgment of the Commission, Ameren Missouri has not shown sufficient reason to rehear the report and order. The Commission will deny the application for rehearing.

THE COMMISSION ORDERS THAT:

1. Union Electric Company d/b/a Ameren Missouri's Application for Rehearing is denied.

2. This order shall become effective immediately upon issuance.
