ORDER OF CLARIFICATION

Issue Date: May 13, 2010

Effective Date: May 13, 2010

On May 10, 2010, the Commission's Staff filed a motion for clarification. The motion seeks guidance regarding the treatment in briefs of certain documents filed in the Commission's Electronic Information and Filing System (EFIS") and certain documents referenced at the On-the-Record Proceeding held on April 28-29, 2010. Initial briefs are due on May 18, 2010 and reply briefs are due on June 2, 2010.

During the proceeding, Staff referenced seven of the Commission's orders and was directed to file them. Instead, Staff provides the citations to the referenced orders in the Commission's Mo.P.S.C. (N.S.) reporter series. Additionally, Staff requests permission to include highly confidential material in its briefs.

Staff's offering of citations to the referenced orders instead of filing copies of the orders is acceptable; however, if Staff wishes to refer to the Commission's orders in its briefs, it shall quote them with particularity in regard to any position, claim or argument it is asserting. If Staff includes highly confidential material in its briefs, it shall file its brief as highly confidential. Staff will also file a public version of its brief.

THE COMMISSION ORDERS THAT:

1. The Staff of the Missouri Public Service Commission request for clarification is granted.
2. The Commission's clarification is delineated in the body of this order.
3. This order shall become effective immediately upon issuance.
