Subject: NuVox Communications of Missouri CLEC and IXC 2008 Missouri PSC Annual Report, Deficient

Ms. Plante,

Thank you for submitting your 2008 Annual Report to the Missouri Public Service Commission (Commission). I have reviewed your report and have found the following omissions / errors:

1. Your response to page 1, question 2a, was incorrect. The latest effective date is **4/20/01** instead of **1-22-99** as submitted. Please include this information on any future submissions.
2. Your response to page 1, question 2a, was incorrect. The latest case number is **TO-2001-500** instead of **TA-99-173** as submitted. Please include this information on any future submissions.

The Commission's Data Center recognizes that "the certification date and case number shall be that of the original certification unless a name change, entity change (Corp. to LLC, etc.) or merger/sale has occurred. In those instances, the effective date and case number shall be that of the latest case on file for one of these occurrences." The effective date can be found at the end of the order for the case and is not the date of the order itself.

The following item(s) that are not in compliance with Chapter 3 of 4 CSR 240 for Nonpublic Treatment of the Annual Report, and which need(s) to be corrected:

3. Every page of the report containing non-public information should be clearly marked.
4. The correct annual report form was not used for this submission. Each year in January, the Commission authorizes the current annual report form to be utilized for submissions. This form is sent to each company either via mail or email to the contact on file as provided by the company. This year, major revisions to the report were made, which require the proper form to be submitted. Therefore, a complete resubmission using the correct form is necessary.

The correct form and instructions can be obtained on the Commission's website at: [www.http://psc.mo.gov](http://www.psc.mo.gov) then clicking the Forms box on the right hand side of the page, then selecting the Telecommunications link; or by contacting the Commission.

A response for this/these item(s) is required in order to show your report as complete and remove it from deficiency status.

You **must resubmit** the annual report with the appropriate changes and the reference number below for it to be properly entered into the system.

Your prompt attention to resolving this matter is appreciated. The Commission's rule 4 CSR 240-3.540 (4) states that a utility company which receives a notice of deficiency for the information provided in the annual report shall respond to that notice within **20 days**, or the utility company is subject to a **penalty of \$100** for each day that it is late in filing its response to the deficiency.

The completed document/revision should be submitted electronically under EFIS (accessible from the Commission's Web page <http://www.psc.mo.gov/>) or mailed to:
