**Subject:** Clear Choice Communications- IXC - 2009 Missouri PSC Annual Report - Deficiency Notice

Thank you for submitting your 2009 Annual Report to the Missouri Public Service Commission. As a result of my review, I have identified the following items that need to be corrected:

1. Form Page 7 - Questions 13A - 13E were answered "Y," indicating "yes;" however, no descriptions were attached as required.

A response for these item(s) is required in order to show your report as complete and remove it from deficiency status.

You **must resubmit** the annual report with the appropriate changes and the reference number below for it to be properly entered into the system.

Your prompt attention to resolving this matter is appreciated. The Commission's rule 4 CSR 240-3.540 (4) states that a utility company which receives a notice of deficiency for the information provided in the annual report shall respond to that notice within **20 days**, or the utility company is subject to a **penalty of \$100** for each day that it is late in filing its response to the deficiency.

The completed document/revision should be submitted electronically under EFIS (accessible from the Commission's Web page <http://www.psc.mo.gov/>) or mailed to:
