**Subject:** Re: SearsConnect 2003 Missouri Annual Report

The company should be MG LLC dba Searsconnect. Our system has them listed as dba Tranzact, but it should be dba Searsconnect. The dba Tranzact is a marketing company and Searsconnect is the telecommunications provider. I am sorry for the error, I will make sure the system is corrected.

Thanks,

Subject SearsConnect 2003 Missouri Annual Report

04/15/2004 11:02 AM

The Missouri Public Service Commission has received an annual report listing the company as MG, LLC dba Tranzact with a certification case no. TA-2004-0150. According to our records MG, LLC dba SearsConnect received a Missouri interexchange carrier certificate in case no. XA-2004-0150. We do not show Tranzact to have a Missouri certificate. Is the annual report information provided for SearsConnect or do you need to submit another annual report for SearsConnect? Please advise.

Please call or email if you have any questions.
