RE: GR-2006-0297 – Withdrawal of filing Tracking No. YG-2007-0326

Included is the electronic copy of PSC MO. No. 1, 6<sup>th</sup> Revised Sheet No. 64. On November 3, 2006, Empire District Electric Company filed the above referenced Tariff Sheet reflecting a change in the Purchased Gas Adjustment, Actual Cost Adjustment, Refund Factor and Deferred Carrying Cost Balance. At that time, the system name was also changed from L&P System to Northwest System. It was requested that Empire refile the Tariff Sheet reflecting the original system name of L&P System.

On November 7, 2006, Empire District Electric Company filed the above referenced tariff sheet as a revision. It was brought to our attention by Mr. Henry Warren, MPSC Staff, that the filing should have been submitted as a sub filing of YG-2007-0311. Empire would like to withdraw this revised filing and re-file as a sub filing under Tracking No. YG-2007-0311.
