Importance: High

Dear Mr. Morse:

Thank you for submitting your 2007 Annual Report to the Missouri Public Service Commission. As a result of my review I have identified the following item(s) that are not in compliance with Chapter 3 of 4 CSR 240 for Nonpublic Treatment of the Annual Report which need(s) to be corrected:

1. Pages with Highly Confidential information were not properly marked on either the Public or Non-Public version of your Annual Report

The guidelines for submitting a confidential annual report were outlined in the instructions of the report form, as well as its cover letter, that was mailed to you.

A response for this item is **required** in order to accept your annual report as complete and prevent it from being filed as public. Pending your response I have provided the Commission's Data Center with a copy of this email to be filed in conjunction with your annual report.

Your prompt attention to resolving this matter will be appreciated. The Missouri Public Service Commission's rules within chapter 3 of 4 CSR 240 state that a utility company that receives a notice that deficiencies exist in the information provided in the annual report shall respond to that notice within 20 days or the utility company is subject to a penalty of \$100 for each day that it is late in filing its response to the deficiency.

Should you have any questions or need assistance in this process, you may call me at **(314) 877-2778 ext 237** or communicate via email at **roberta.grissum@psc.mo.gov**.

The information should be mailed (*if not emailed to the above email address*) to:
