**Subject:** Verizon Select Services, Inc. 2003 Missouri Annual Report

Thank you for submitting the 2003 Interexchange Telecommunications Carrier Annual Report to the Missouri Public Service Commission. I have reviewed the report and according to our records the response to page 1, item 2, effective date of certification, should be 7/31/00 and the case number, TO-2001-30. This is the case in which the name change was approved by the Public Service Commission. Please refer to this date and case number in future annual report submissions.

In addition, our records indicate that we have not received the 2003 Annual Report for Verizon Select Services, Inc.'s Competitive Local Exchange Carrier (CLEC) certificate. This report was due to the Public Service Commission before April 15, 2004. Here is the form that should be used:

CLEC Annual  
Report Form 2003.x.

It is identical to the IXC report you submitted except for the access line report. Please provide the CLEC annual report as soon as possible. A certificated company that does not submit an annual report to the Public Service Commission may be subject to penalties.

Please call or email if you have any questions.
