**PROPOSED HEARING DATES**

**COMES NOW** The Staff of the Public Service Commission, and on behalf of Staff, Evergy Missouri West, and Patricia Sue Stinnett offers the following proposed hearing date.

1. On February 15, 2020, the Commission issued its *Order to File Proposed Hearing Dates*. The *Order* ordered the parties to file new proposed hearing dates agreeable to all parties no later than February 21, 2020.

2. Having conferred, all parties are available for an evidentiary hearing on April 1, 2020.

3. Staff spoke to Ms. Stinnett, and she stated that she is moving to Eminence, Missouri in March and would prefer that the hearing be held near her new residence. Staff explained to Ms. Stinnett that under 20 CSR 4240-2.070(15)(E) the Commission is required to hold the hearing within thirty miles of where the service was rendered, unless another location is agreed to by the parties. Ms. Stinnett stated she would be willing to travel to St. Joseph, Missouri for the hearing if necessary.

4. The Company believes that, under the Commission's rules, the hearing should be held in St. Joseph, Missouri and does not agree to the Eminence location.

5. Due to the travel time involved for all parties, they request that the hearing start at 11:00 am.

**WHEREFORE**, Staff prays on behalf of all of the parties herein that the Commission will accept this proposed hearing date.

Respectfully submitted,
