ORDER GRANTING EXTENSION

Issue Date: January 7, 2021

Effective Date: January 7, 2021

On December 23, 2020, the Commission directed that any responses to the *Supplemental Report of the Staff* be filed no later than January 8, 2021. In addition, the Commission directed the parties to file a statement of at least three available dates for hearing by telephone or video conference, occurring no earlier than February 1, 2021, to allow the Commission to schedule a hearing should it be necessary to do so.

On January 7, 2021, Ms. Edwards filed a request for extension until February 8, 2021, due to illness. The Commission will grant the extension and revise its instructions to the parties accordingly. Because of matters now scheduled before the Commission in February and March 2021, the parties are directed to propose dates occurring no earlier than March 15, 2021. The parties are encouraged to consult the Commission's hearing calendar at <https://psc.mo.gov> to identify conflicts and potentially available dates.

THE COMMISSION ORDERS THAT:

1. Any response to the *Supplemental Report of the Staff*, filed on December 21, 2020, shall be filed no later than February 8, 2021.
2. No later than February 8, 2021, the parties shall file a statement of at least three available dates for hearing, occurring no earlier than March 15, 2021.
3. This order shall be effective when issued.
