**SECOND NOTICE OF HEARING AND  
ORDER AMENDING PROCEDURAL SCHEDULE**

Issue Date: August 6, 2020

Effective Date: August 6, 2020

On February 24, 2020, Barbara Edwards filed a complaint with the Commission against Evergy Missouri West, Inc. d/b/a Evergy Missouri West (Evergy Missouri). After a prehearing conference on May 19, 2020, the parties submitted a *Joint Proposed Procedural Schedule*, and the Commission issued a procedural order and set a July 17, 2020, hearing, to be conducted in Kansas City. Because of uncertain conditions in regard to the COVID-19 pandemic, the Commission on July 7, 2020, suspended the procedural schedule and continued the hearing.

The parties met for a prehearing conference on July 17, 2020, to discuss the prospect of resolving this case either through an in-person or remote hearing. The Complainant, Ms. Edwards, requested the case be continued until an in-person hearing can be scheduled and offered to appear for hearing in Jefferson City if necessary. Evergy Missouri and the Commission’s Staff did not object to Complainant’s request.

On July 24, 2020, the Commission directed the parties to propose dates to conduct an evidentiary hearing at the Commission's office in Jefferson City on or after September 1, 2020. On August 3, 2020, the parties proposed a hearing be conducted during the week of September 21, 2020. The Commission will adopt the following amended procedural schedule and establish the time and place for evidentiary hearing.

In addition, the Commission will provide for the prehearing exchange of exhibits between the parties as well as the handling of exhibits during the hearing, as allowed by Commission Rule 20 CSR 4240-2.130. The parties will exchange exhibits before the hearing as provided below. During the hearing, exhibits may be offered on the record by reference. Because of the COVID-19 pandemic, and to avoid close contact between individuals, paper copies of exhibits and other documents will not be provided to the court reporter or other parties during the hearing. Parties should bring to hearing a copy of all proposed exhibits, in paper or electronic form, which they may consult during the hearing.

Finally, the parties' August 3, 2020 joint proposal includes a request from Evergy Missouri to allow appearance of its witnesses by telephone or video conference because of the COVID-19 pandemic. The Commission will allow for any response from Complainant and/or Staff regarding appearance by telephone or video conference.
