Subject: Inter-Tel NetSolutions, Inc. Annual Report Correction

Lisa,

Per our conversation, I am sending you this email to correct the year ending 2004 annual report for:
Inter-Tel NetSolutions, Inc.

CLEC BMAR -2005-0544

IXC BMAR -2005-0545

The original submission of MO specific gross operating revenues \$886,524 was overstated.(page 3) Erroneously I had included International and Interstate revenues.

The correct amount of MO specific gross operating revenues IS \$345,980.

Once you make this correction, the reported gross intrastate operating revenues on this annual report will match the reported revenues on the PSC's statement of revenue.

Thank you so much for your assistance. Again sorry we have had such trouble getting this annual report to you correct.

If there is anything else you need from me, please do not hesitate to ask.
