Subject: ICG Telecom Group, Inc. 2003 Missouri Annual Report

Thank you for submitting the 2003 Competitive Local Exchange Carrier (CLEC) and Interexchange Telecommunications Carrier (IXC) annual report to the Missouri Public Service Commission. I have reviewed the report. Since the CLEC certificate was issued in case number TA-98-589, effective August 14, 1998 and the IXC certificate was issued in case number TA-98-577, effective August 14, 1998 separate annual reports should be submitted. We will include the report submitted under each certificate designation. Please advise if any of the information provided would not be appropriate if reported separately.

Please call or email if you have any questions.
