Subject: Dial-Around Telecom Inc - IXC 2005 Missouri Annual Report

I noted your resubmission of the subject annual report on June 13, 2006. That resubmission neither addressed nor cured the identified deficiency. (i.e. your notarized verification page has the effective date period blank.)

Your response identifying the date period is still required. Please note the blank lines immediately above your signature on the notarized verification page. The active period's beginning and ending dates need to be inserted thereon (usually January 1, 2005 and December 31, 2005, respectively)

A response for this item is required in order to accept your annual report as complete. Pending your response I have provided the Commission's Data Center with a copy of this email to be filed in conjunction with your annual report.

You must resubmit the annual report with the appropriate starting and ending dates on the notarized Verification Page to the Data Center as listed below. The resubmission must include the number assigned to your report as listed below (BMAR-2006-2279) in order for it to be properly entered into the system. Also, an email response informing me of your resubmission would be helpful, so that I may close your case number.

Your prompt attention to resolving this matter will be appreciated. The Missouri Public Service Commission's rules within chapter 3 of 4 CSR 240 state that a utility company that receives a notice that deficiencies exist in the information provided in the annual report shall respond to that notice within 20 days or the utility company is subject to a penalty of \$100 for each day that it is late in filing its response to the deficiency.

Should you have any questions or need assistance in this process, please contact me per below.

The information should be mailed to:

Missouri Public Service Commission
Attn: Data Center
200 Madison Street, P.O. Box 360
Jefferson City, MO 65102-0360

Please reference the following identification number when contacting the Missouri Public Service Commission concerning your report: **BMAR-2006-2279**.

A COMPANY RESPONSE TO THE ABOVE DEFICIENCY IS REQUIRED.

Sincerely,

Ed Began
