RE: 2002 Annual Report Deficiencies

Dear Mr. Sutterer:

I have reviewed the annual report form submitted to the Commission. As a result of my review I have identified several deficiencies that need to be corrected:

1. Please provide responses to the first two pages of the 2002 annual report (Supplement Pages 1-2) for SK&M Water & Sewer Company. For your convenience I have attached a copy of these pages to this letter. Alternatively, you may download an updated electronic version of the current Calendar Year, 2003 Supplemental pages (Part 1 of 2) from the Commission's web page at the address at:

http://www.psc.mo.gov/forms_annual_WaterSewerD.asp

2. Please include the number of water customers (page W-2-enclosed) and sewer customers (page S-2-enclosed).

Your prompt attention to resolving this matter will be appreciated. Should you have any questions you may call me at (573) 751-4257 or communicate via email at Janis.Fischer@psc.mo.gov.

The information should be mailed (if not e-mailed to the above e-mail address) to:
