Subject: Staff Recommendation to Cancel Certificate of Service Authority and Tariff

Date: 12/1/08

On November 11, 2008, VCI Company (VCI), a competitive telecommunications company, filed its Request for Cancellation of Certificate of Service Authority and Tariff.

VCI was granted a certificate of service authority to provide basic local exchange telecommunications service in Case No. CA-2006-0323. According to VCI's request to cancel its certificate, the company has no customers in Missouri, so cancellation of its certificate of service authority and accompanying tariff is not detrimental to the public interest. The Staff has no objection to the request for cancellation and recommends that the Commission issue an order to cancel VCI's certificate of service authority to provide basic local exchange telecommunications service and accompanying tariff, PSC MO No. 1, Original Sheet No. 1 through Original Sheet No. 45. The Staff is unaware of any other filing which affects or which would be affected by this proposal.

☒ The Company is not delinquent in filing an annual report, paying the PSC assessment, MoUSF, and Relay Missouri.

☐ The Company is delinquent. Staff recommends the Commission grant the requested relief/action on the condition the applicant corrects the delinquency. The applicant should be instructed to make the appropriate filing in this case after it has corrected the delinquency.

(☐ No annual report ☐ Unpaid PSC assessment. ☐ Unpaid MoUSF

☐ Unpaid Relay Missouri Amount owed:)
