Subject: Sage Telecom Inc - CLEC - IXC - 2009 MOPSC Annual Report Review - Deficiency

Thank you for submitting your 2009 Annual Report to the Missouri Public Service Commission (Commission). As a result of my review, I have identified the following item(s) that are not in compliance with Chapter 3 of 4 CSR 240 for Nonpublic Treatment of the Annual Report, and which need(s) to be corrected:

1. On the Verification page the notary did not provide the electronic signature on both the NP and HC versions of your annual report.

Please do not forget to include a new verification page with your resubmission.

The guidelines for submitting a confidential annual report are outlined in the instructions of the report form, as well as its cover letter, which was sent to the company contact provided to the Commission

A response for this/these item(s) is required in order to show your report as complete and remove it from deficiency status.

You **must resubmit** the annual report with the appropriate changes and the reference number below for it to be properly entered into the system.

Your prompt attention to resolving this matter is appreciated. The Commission's rule 4 CSR 240-3.540 (4) states that a utility company which receives a notice of deficiency for the information provided in the annual report shall respond to that notice within **20 days**, or the utility company is subject to a **penalty of \$100** for each day that it is late in filing its response to the deficiency.

The completed document/revision should be submitted electronically under EFIS (accessible from the Commission's Web page <http://www.psc.mo.gov/>) or mailed to:

Data Center
Missouri Public Service Commission
200 Madison Street, Suite 100, Jefferson City, MO 65101
(P.O. Box 360, Jefferson City, MO 65102-0360)

When contacting the Commission concerning your report, please reference the following identification numbers: **BMAR-2010-1326 and BMAR-2010-1327**.

Should you have any questions or need assistance in this process, please contact me.

A COMPANY RESPONSE TO THE ABOVE DEFICIENCY(CIES) IS REQUIRED.

Sincerely,

Mike Straub
