**ORDER DIRECTING REPLY TO RESPONSE OF AMERENUE**

Issue Date: January 13, 2006

Effective Date: January 13, 2006

On January 5, 2006, Sierra Club, Missouri Coalition for the Environment, Missouri Nuclear Weapons Education Fund, operating as Mid-Missouri Peaceworks, and ACORN filed a joint motion asking the Commission to revoke its previously issued protective order and to compel AmerenUE to designate specifically what portions, if any, of its Integrated Resource Plan are entitled to confidential treatment. AmerenUE filed a response to that motion on January 10.

In its response, AmerenUE proposed several compromise measures to make its filing more available to the movants and to the public. Before the Commission further considers the motion, it would like to have a response from the movants regarding AmerenUE's proposal.

**IT IS THEREFORE ORDERED:**

1. That the movants, Sierra Club, Missouri Coalition for the Environment, Missouri Nuclear Weapons Education Fund, operating as Mid-Missouri Peaceworks, and ACORN, are directed to reply to AmerenUE's response by January 19, 2006.

2. That this order shall become effective on January 13, 2006.
