## CORRECTED ORDER GRANTING EXTENSION OF TIME TO FILE COMMENTS IN RESPONSE

Issue Date: August 14, 2008 Effective Date: August 14, 2008

Union Electric Company, d/b/a AmerenUE filed its Integrated Resource Plan (IRP) pursuant to Chapter 22 of the Commission's rules on February 5, 2008. On June 18, various parties filed comments regarding what they contend are deficiencies in AmerenUE's plan. On August 12, the parties filed a partial stipulation and agreement that resolved some, but not all alleged deficiencies in AmerenUE's IRP. By Commission rule, AmerenUE is to file its comments in response to the remaining alleged deficiencies by August 18. On August 6, AmerenUE filed a motion asking the Commission to extend that filing date to September 12. The motion represents that counsel for all parties concur in the request.

Section 12 of Commission Rule 4 CSR 240-22.080 provides that the Commission may extend or reduce any of the time periods specified in the rule for good cause shown. The Commission finds that AmerenUE has shown good cause for extending the time for filing its response. The requested extension of time will be granted.

In its original order granting AmerenUE's request for additional time the Commission specifically allowed AmerenUE until September 12 to file its comments. Commission Rule

4 CSR 240-22.080(9) also allows Staff, Public Counsel and intervening parties to file comments in response to the comments filed by each other. The Commission intended to allow all parties until September 12 to file their comments and this corrected order will so state.

## IT IS ORDERED THAT:

- 1. AmerenUE's Request for Additional Time to File Comments in Response is granted.
- 2. AmerenUE, and any other party wishing to do so, shall file comments in response to the remaining alleged deficiencies no later than September 12, 2008.
  - 3. This order shall become effective immediately upon issue.
