**NOTICE REGARDING GRANTING OF APPLICATIONS TO INTERVENE**

Issue Date: January 3, 2006

At the conference held on January 3, 2006, the presiding officer granted unopposed applications to intervene filed by the Missouri Department of Natural Resources, the Association of Community Organizations for Reform Now (ACORN), Sierra Club, and Missouri Coalition for the Environment.

Missouri Nuclear Weapons Education Fund, operating as Mid-Missouri Peaceworks, has also applied to intervene. Counsel for AmerenUE indicated that the company has questions about the legal status of Peaceworks and whether that entity should be required to comply with the Commission's rule requiring an unincorporated association to file a list of its members at the time it applies to intervene.

The presiding officer did not rule on Peaceworks' application to intervene at the conference. Instead, AmerenUE was directed to file a written objection to Peaceworks'

application to intervene by January 7, if it wishes to make such an objection. The Commission will rule on Peaceworks' application to intervene thereafter.
