Case No. EO-2006-0281

STAFF RECOMMENDATION

Comes now the Staff of the Missouri Public Service Commission (Staff) in response to the Missouri Public Service Commission's January 3, 2006 Notice Of Application And Order Directing Filing. In its January 3, 2006 Order, the Commission directed that each of the Signatory Parties to the KCPL Experimental Regulatory Plan Stipulation And Agreement in Case No. EO-2005-0329, other than the Staff, be given notice that each had until February 3, 2006 to indicate any opposition to KCPL's Application For Extension Of Time To Comply With Provision Of Stipulation And Agreement Concerning Installation Of Wind Measuring Equipment (Application For Extension Of Time). The Commission directed the Staff to file by January 20, 2006 a date certain by which the Staff would file the Staff's recommendation with the Commission. On January 20, 2006, the Staff filed a pleading stating that the Staff would file its recommendation no later than February 17, 2006.

No person or entity has filed any pleading indicating any opposition to KCPL's December 30, 2005 Application For Extension Of Time. The Memorandum Recommendation of the Staff filed herewith (Appendix A) states that the Staff has no opposition to KCPL's December 30, 2005 Application For Extension Of Time.

Wherefore the Staff submits its response to the Commission's January 3, 2006 Notice Of Application And Order Directing Filing and states that it does not oppose KCPL's December 30, 2005 Application For Extension Of Time To Comply With Provision Of Stipulation And Agreement Concerning Installation Of Wind Measuring Equipment.

Respectfully submitted,

/s/Steven Dottheim

SUBJECT: Staff Recommendation for Approval for Extension of Time to Comply with
the Provision of the KCPL Regulatory Plan Concerning Installation of Wind
Measuring Equipment

DATE: February 17, 2006

The Staff does not oppose the changes agreed to by Kansas City Power & Light Company and the Missouri Department of Natural Resources regarding the collection of wind resource information and the extension of the deadline for the installation of wind measuring equipment from December 31, 2005 until March 31, 2006 from Case No. EO-2005-0329.

The Staff has verified that Kansas City Power and Light Company is not delinquent on any assessment or the filing of its annual report. Staff is not aware of any other matter before the Commission that affects or is affected by this filing.
