**ORDER ESTABLISHING TIME IN WHICH TO RESPOND TO  
APPLICATION TO INTERVENE**

Issue Date: February 28, 2008

Effective Date: February 28, 2008

On February 27, 2008, the Missouri Joint Municipal Electrical Utility Commission (MJMEUC) filed an application for leave to intervene in AmerenUE's 2008 Integrated Resource Planning case. Commission Rule 4 CSR 240-2.080(15) allows parties not more than ten days in which to respond to any pleading unless otherwise ordered by the Commission. Under that standard, any response to MJMEUC's application to intervene would be due on Monday, March 10.

However, the Commission has scheduled a prehearing conference for Tuesday, March 11, in which MJMEUC would be expected to participate if its request to intervene is granted. So that MJMEUC's application to intervene can be ruled upon a sufficient time before the prehearing conference to allow MJMEUC to prepare to participate, the Commission will shorten the time allowed for filing a response to the application to intervene.

**IT IS ORDERED THAT:**

1. Any party wishing to respond to the Missouri Joint Municipal Electrical Utility Commission's Application to Intervene shall do so no later than March 6, 2008.

2. This order shall become effective on February 28, 2008.
