Although not ordered by the Commission, on January 24, 2006 Kansas City Power & Light Company filed a revised tariff sheet adding the foregoing variance and another to the list of variances the Commission has granted to Kansas City Power & Light Company. The Commission issued the other variance, from tariff sheet No. 1.19, section 5.03(b) on March 27, 2003 in Case No. EE-2003-0199, for an apartment building located at 212 W. 39th Street, Kansas City, Missouri.

3. In the attached Memorandum, which is labeled Appendix A, the Staff recommends the Missouri Public Service Commission issue an Order approving the proposed tariff sheet, as filed on January 24, 2006 to become effective March 8, 2006, or allow the sheet to become effective by operation of law. The tariff sheet is:

SUBJECT: Staff Recommendation For **Approval** Of A Tariff Sheet Filed To List Separate Metering Variances

DATE: February 27, 2006

On January 24, 2006, Kansas City Power and Light Company (KCPL) filed with the Commission one (1) tariff sheet with a proposed effective date of March 5, 2006 to add two variances to KCPL's list of separate metering variances on Tariff Sheet No. 1.71. On February 27, 2006, KCPL extended the effective date to March 8, 2006. A separate metering variance for Wall Street Towers, 1101 Walnut Street, Kansas City, Missouri, was approved by the Commission in its Report and Order issued October 19, 2005, effective October 28, 2005, in Case No. EE-2006-0123. Previously, a separate metering variance for David Postlewait, 212 W. 39th Street, Kansas City, Missouri, was approved by the Commission in its Order Granting Variance issued March 27, 2003, effective April 6, 2003, in Case No. EE-2003-0199.

The Missouri Public Service Commission Energy Department Staff (Staff) has reviewed the filed tariff sheet, and is of the opinion that listing these variances would provide readily accessible public notice of those variances and facilitate tracking those variances. Staff therefore recommends that the Commission issue an order approving the following proposed tariff sheet, as filed on January 24, 2006, to become effective on March 5, 2006, as requested in KCPL's cover letter, or permit the tariff sheet to go into effect by operation-of-law:

P.S.C. MO. No. 2

Third Revised Sheet No. 1.71 Cancelling Second Revised Sheet No. 1.71

The Staff is unaware of any matter before the Commission that affects or is affected by this tariff filing, the Staff has verified that Kansas City Power and Light Company has filed its annual report and is not delinquent on any assessment.
