**SECOND ORDER DIRECTING NOTICE, ESTABLISHING INTERVENTION  
DEADLINE, AND DIRECTING STAFF TO FILE RECOMMENDATION**

Issue Date: February 6, 2008

Effective Date: February 6, 2008

On August 3, 2007, Kansas City Power & Light Company (“KCPL”) filed an application for waivers concerning certain of the Commission’s Electric Utility Resource Planning (“IRP”) reporting requirements, as set forth in Chapter 22 of the Commission’s Rules, for its August 2008 IRP submission. That filing resulted in the opening of this case.

Since the Commission's decision whether to grant the initial variances requested by KCPL could have affected the substance of KCPL's IRP filing, the Commission provided notice of the request for variances to all parties to KCPL's most recent IRP case,<sup>1</sup> as well as to the media and members of the General Assembly representing KCPL's service area.

The Missouri Department of Natural Resources (“DNR”) requested and was granted intervention in this case. No other requests to intervene were filed. No party opposed KCPL’s initial waiver requests, which the Commission granted in its order issued September 25, 2007.

<sup>1</sup> KCPL's last IRP submission resulted in a contested case and was assigned Case No. EO-2007-0008. The parties to that case ultimately resolved their differences and filed a stipulation and agreement, that was ultimately approved by the Commission.

On February 5, 2008, KCPL filed a second Application for Waivers Concerning Kansas City Power & Light Company's August 2008 Integrated Resource Plan Submission ("Second Application"). In the Second Application, KCPL requests waivers of additional provisions of the IRP reporting requirements, as set forth in Chapter 22 of the Commission's Rules, for its August 2008 IRP submission.

The Commission would like to have the benefit of a recommendation from its Staff before it further considers this Second Application. The Commission will direct its Staff to file a recommendation or a status report advising the Commission of a date certain that Staff will file a recommendation in this matter.

KCPL's last IRP submission resulted in a contested case and was assigned Case No. EO-2007-0008. The parties to that case ultimately resolved their differences and filed a stipulation and agreement that was ultimately approved by the Commission. Since a Commission decision on the second set of requested waivers could impact that stipulated agreement, the Commission's Data Center shall mail a copy of this order and KCPL's Second Application to all parties of record in EO-2007-0008. The Commission shall also set a deadline for interested parties to request intervention.

The Commission shall also set a deadline for requesting a hearing in this case. The requirement of a hearing has been fulfilled when all those having a desire to be heard are offered an opportunity to be heard. If no proper party or governmental entity is granted intervention and neither the Commission's Staff nor the Office of the Public Counsel requests a hearing, the Commission may determine that a hearing is not necessary.

**IT IS ORDERED THAT:**

1. The Missouri Public Service Commission's Data Center is ordered to serve notice as set out herein.

2. Any proper person wishing to intervene shall file an application to do so no later than February 26, 2008. Such applications shall be filed with:

Secretary  
Missouri Public Service Commission  
Post Office Box 360  
Jefferson City, Missouri 65102

with a copy served on:

Curtis D. Blanc  
Kansas City Power & Light Company  
1201 Walnut – 20<sup>th</sup> Floor  
Kansas City, Missouri 64106  
Attorney for Kansas City Power & Light Company

and:

Office of the Public Counsel  
Post Office Box 2230  
Jefferson City, Missouri 65102

3. The Staff of the Missouri Public Service Commission shall file a recommendation regarding Kansas City Power & Light Company's February 5, 2008 application for waivers or a status report informing the Commission of a date certain on which Staff will file a recommendation in this matter on or before March 7, 2008.

4. Any party to this case wishing to request a hearing shall do so no later than March 17, 2008.

5. This order shall become effective on February 6, 2008.
