

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of the Cancellation of the   )  
Certificate of Service Authority Tariff of   )  
CCCMO, Inc. d/b/a Connect!                    )

Case No. CD-2007-

**MOTION TO OPEN CASE AND CANCEL CERTIFICATE OF SERVICE  
AUTHORITY AND ACCOMPANYING TARIFF**

**COMES NOW** the Staff of the Missouri Public Service Commission (Staff) and moves that the Commission open a case and cancel CCCMO, Inc. d/b/a Connect!'s certificate of service authority to provide basic local and local exchange telecommunications services, as well as its tariff. In support of its Motion, Staff respectfully states as follows:

1. On January 11, 2000, the Missouri Public Service Commission (Commission) granted a certificate of service authority to provide basic local and local exchange telecommunications services to CCCMO, Inc. d/b/a Connect!, in Case No. TA-2000-199. The Commission subsequently approved the company's tariff, Missouri P.S.C. Tariff No. 1.

2. CCCMO, Inc., through a letter from its president, has asked the Commission to cancel its certificate of service authority because it has no customers using the service that was to be provided under that name, and does not intend to pursue that line of business. See Appendix A.

3. CCCMO, Inc. has no past due annual reports or assessments to the Commission. Although in the past formal complaints have been filed against CCCMO, Inc., Staff considers that all of these complaints have been resolved.

4. CCCMO, Inc. is now "dissolved" according to the Office of the Missouri Secretary of State. It was a Missouri corporation, and was created on February 3, 1999 and

dissolved on August 29, 2006. Section 351.476(1) RSMo. (2000) states "A dissolved corporation continues its corporate existence but *may not carry on any business except that appropriate to wind up and liquidate its business and affairs....*"

5. Because CCCMO, Inc. has requested cancellation of its certificate and because it is not providing telecommunications service in Missouri, the Staff recommends that the Commission issue an order canceling CCCMO, Inc.'s certificate of service authority.

6. The Commission has the authority to cancel a telecommunications corporation certificate pursuant to Section 392.410.5 RSMo (Supp. 2006), which provides:

"Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected."

However, the Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. 1989).

7. This pleading is being served on the address provided by the company to the Commission via certified mail, as well as upon its Missouri registered agent and the return address provided by the company's president in his letter sent to the Commission seeking cancellation.

WHEREFORE, the Staff recommends the Commission cancel the certificate of service authority of CCCMO, Inc. d/b/a Connect! to provide basic local and local exchange telecommunications services, as well as its tariff, Missouri P.S.C. Tariff No. 1.

Respectfully submitted,

/s/ David A. Meyer
