

**BEFORE THE PUBLIC SERVICE COMMISSION  
STATE OF MISSOURI**

In Re: CSR Amendment to the Interconnection       )  
Agreement By and Between Spectra                    )  
Communications, LLC d/b/a CenturyLink and        )  
Socket Telecom, LLC Pursuant to Sections 251       )  
and 252 of the Telecommunications Act of 1996    ) Case No. \_\_\_\_\_

**APPLICATION OF CENTURYLINK FOR APPROVAL OF THE  
CSR AMENDMENT TO THE INTERCONNECTION AGREEMENT**

COMES NOW, Spectra Communications Group, LLC d/b/a CenturyLink (“CenturyLink”) hereby files its Application for Approval of the CSR Amendment to the Interconnection Agreement (“Agreement”) between Socket Telecom, LLC (“Socket”) and CenturyLink pursuant to the Telecommunications Act of 1996 (the “Federal Act”). In support of its application, CenturyLink states the following:

**I. APPLICANT**

Spectra Communications Group, LLC d/b/a CenturyLink is a Delaware limited liability corporation that is duly authorized to do business in the state of Missouri and authorized by the Commission to provide basic local and interexchange telecommunications services. Copies of Spectra Communications Group, LLC’s Certificate of Authority issued by the Missouri Secretary of State were filed in Case No. TM-2000-182 and incorporated herein by reference pursuant to Commission Rule 4 CSR 240-2.060(1)(G).

To CenturyLink’s knowledge, there are no overdue assessments or annual reports or final unsatisfied judgments or decisions against it involving customer service or rates occurring within the last three years.

## **II. INTERCONNECTION AGREEMENT**

CenturyLink presents to the Commission its application pursuant to the terms of the Federal Act. CenturyLink and Socket entered into an Interconnection Agreement approved in Docket No. TO-2006-0299 (the “Agreement”). There are no outstanding issues related to the Agreement between the parties that require the assistance of mediation or arbitration.

CenturyLink and Socket recently entered into the attached CSR Amendment to the Interconnection Agreement. The Interconnection Agreement is amended by replacing and adding certain terms, conditions, and rates as set forth in Attachment 1 and Exhibit A to the Amendment with respect to Customer Service Record Searches.

## **III. STANDARD FOR REVIEW**

The statutory standard of review under Section 252(e) of the Act states:

(e) Approval by State Commission

- (1) Approval Required. Any interconnection agreement adopted by negotiation or arbitration shall be submitted for approval to the state commission. A State commission to which an agreement is submitted to shall approve or reject the agreement, with written findings as to any deficiencies.
- (2) under subsection (a) if it finds Grounds for Rejection. The State commission may only reject.
  - (A) an agreement (or any portion thereof) adopted by negotiation that:
    - (i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement, or
    - (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity; or...

CenturyLink further states that the Agreement is consistent with the public interest, convenience and necessity in that it allows for full and fair competition and greater choice for the consumer. The Agreement does not discriminate against other carriers who are not a party to the Agreement because the terms of the Agreement are equally available to any other carrier.

#### **IV. REQUEST FOR APPROVAL**

CenturyLink seeks the Commission's approval of the Agreement, consistent with the provisions of the Federal Act. CenturyLink and Socket believe that the implementation of this Agreement complies fully with Section 252(e) of the Federal Act because the Agreement is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carrier. The Agreement promotes diversity in providers, provides interconnectivity, and increases customer choices for telecommunications services.

CenturyLink and Socket respectfully request that the Commission grant approval of the Agreement, without change, suspension or other delay in its implementation.

#### **V. CONCLUSION**

WHEREFORE, for the foregoing reasons, CenturyLink requests that the Commission approve the CSR Amendment to the Interconnection Agreement between CenturyLink and Socket Telecom, LLC.

Respectfully submitted,

Becky Owenson Kilpatrick

Bar No. 42042

100 CenturyLink Drive

Monroe, LA 71203
