Re: Missouri American Water Company Rate Case
MoPSC Case No. WR-2003-0500

Dear Mr. Roberts:

On October 3, 2003, by EFIS submission, I enclosed the direct testimony of Billie S. LaConte for filing in the above-referenced matter. It has recently come to my attention that Appendix A (which explained Ms. LaConte's education and professional background) was not included with her testimony. I am attaching Appendix A with this letter with the request that it be included as a part of Ms. LaConte's direct testimony filing.

Please contact me if you have any questions or need any additional information.

Yours very truly,

Lisa C. Langeneckert
