

Liberty Utilities (Midstates Natural Gas) Corp.

d/b/a Liberty Utilities

Docket No. GR-2018-0013

OPC Data Request – 1205

Page 1 of 1

Data Request Received: 02/23/2018

Date of Response: 03/01/2018

Request No. 1205

Respondent: Cherishe Barbee

REQUEST:

Please list and describe the benefits Liberty MO ratepayers receive as a result of Liberty's participation in and costs incurred associated with Gas Master Symposium in Jasper, AL.

RESPONSE:

The Gas Master Symposium provides the Company's employees an opportunity to learn about relevant topics and improve their ability to conduct their jobs safely and to the best of their capability. At the Gas Master Symposium, the Company's employees gain knowledge on a wide variety of topics such as pipeline inspections, software products, GIS services, mapping, communication, leadership and management. Employees who attend the symposium are better trained and more prepared for situations that present themselves in the field, which provides benefits to all Liberty Utilities (Midstates Natural Gas) Corp. customers.

2016 GasMaster Symposium
Wednesday, October 05, 2016 - Friday, October 07, 2016

Emerald Grande
10 Harbor Blvd.
Destin, Florida 32541
United States
[Map and Directions](#)

The 2016 GasMaster Symposium brings together industry leaders with subject matter experts to explore, educate, and network along the shores of the Gulf of Mexico. Magnolia River, along with GasMaster Sponsors, have designed two tracks to choose from:

Project Management 201: Tools for Utility Professionals

Whether you are a new project manager or a seasoned veteran, Project Management 201: Tools for Utility Professionals will provide you with higher order skill sets and abilities to enable you to deal with the challenges of today's ever increasing complex projects. In PM 201, You will explore:

- How to clearly define expectations for success with stakeholders
- The necessity in creating a plan that enables progress measurement
- Managing the challenges of complex projects
- and much more...

flowGIS User Group Meeting

Whether you are an Admin, Executive, Field worker, or Analyst join us in another exciting year of exploring new ways to maximize the powerful tools with-in FlowGIS. Interact the developers, meet fellow users, and see the future of FlowGIS. Boost your skills by attending the technical workshops, exchange workarounds, and learn tried-and-true best practices for FlowGIS.

Activities are included!

3rd Annual GasMaster Saltwater Classic (deep-sea fishing)
2016 GasMaster Open (golf)
