(company name) of St Louis, Missouri _____, is a public utility under the jurisdiction of the Public Service Commission of the State of Missouri. As the basis of this complaint, complainant states the following facts: in excess of 2 hours I times in 8 days.

3. The complainant has taken the following steps to present this complaint to the respondent:
Contacted ameren UE. and reported
Contacted Ameren UE. and reported power outages.
WHEREFORE, Complainant now requests the following relief:
Powerline to be efficiently handle custo load and eliminate power outages.
8- (-99 Date Signature of Complainant

4 CSR 240-2.070 Complaints

PURPOSE: This rule establishes the procedures for filing formal and informal complaints with the commission.

- (1) The commission, the public counsel, or any person or public utility as defined in 4 CSR 240-2.010 who feels aggrieved by a violation of any statute, rule, order or decision within the commission's jurisdiction may file a complaint. The aggrieved party, or complainant, has the option to file either an informal or a formal complaint.
- (2) Informal Complaints. To file an informal complaint, the complainant shall state, either in writing, by telephone (consumer services hotline—1-800-392-4211, or TDD hotline—1-800-829-7541), or in person at the commission's offices—
- (A) The name, street address and telephone number of each complainant and, if one (1) person asserts authority to act on behalf of the others, the source of that authority;
- (B) The address where the utility service was rendered:
- (C) The name and address of the party against whom the complaint is filed;
- (D) The nature of the complaint, and the complainant's interest therein;
 - (E) The relief requested;
- (F) The measures taken by the complainant to resolve the complaint; and
- (G) If a complainant is not satisfied with the outcome of the informal complaint, a formal complaint may be filed.
- (3) Formal Complaints. Formal complaint may be made by the commission on its own motion, by its general counsel or by the public counsel, or by any person as defined in 4 CSR 240-2.010, by perition or complaint in writing, setting forth any act or thing done or omitted to be done by any person, corporation or public utility, including any rule or charge established or fixed by or for any person, corporation or public utility, in violation or claimed to be in violation of any provision of law or of any rule or order or decision of the commission; provided, that no complaint shall be entertained by the commission. except upon its own motion, as to the reasonableness of any rates or charges of any public utility unless the complaint is signed by the public counsel, the mayor or the president or chairman of the board of aldermen or a majority of the council or other legislative body of any town, village, county or other

political subdivision, within which the alleged violation occurred, or not less than twenty-five (25) consumers or purchasers or prospective consumers or purchasers of public utility gas, electricity, water, sewer or telephone service as provided by law. Any public utility has the right to file a formal complaint on any of the grounds upon which complaints are allowed to be filed by other persons and the same procedure shall be followed as in other cases.

- (4) The commission shall not be required to dismiss any complaint because of the absence of direct damage to the complainant.
- (5) The complaint shall contain the following information:
- (A) The name, street address, signature and telephone number of each complainant and, if different, the address where the subject utility service was rendered;
- (B) The name and address of the person, corporation or public utility against whom the complaint is being filed;
- (C) The nature of the complaint and the complainant's interest in the complaint, in a clear and concise manner;
- (D) The relief requested and a statement as to whether the complainant has directly contacted the person, corporation or public utility about which complaint is being made;
- (E) The jurisdiction of the commission over the subject matter of the complaint; and
- (F) An association filing a formal complaint shall list all of its members as an appendix to the complaint.
- (6) The commission, without argument and without hearing, may dismiss a complaint for failure to state facts upon which relief can be granted or may strike irrelevant allegations.
- (7) Upon the filing of a comptaint in tobstantial compliance with these rules, the cretary shall serve by certified mail, postage prepaid, a copy of the complaint upon the person, corporation or public utility against whom the complaint has been filed, which will be accompanied by a notice that the matter complained of be satisfied or that the complaint be answered by the respondent, unless otherwise ordered, within thirty (30) days of the date of the notice.
- (8) The respondent shall file an answer to the compiaint within the time provided. All grounds of defense, both of law and of fact.

shall be raised in the answer. If the respondent has no information or belief upon the subject sufficient to enable the respondent to answer an allegation of the complaint, the respondent may so state in the answer and assert a denial upon that ground.

- (9) If the respondent in a complaint case fails to file a timely answer, the complainant's averments shall be deemed admitted unless good cause is found by the commission to extend the filing date of the answer.
- (10) The commission may order, at any time after the filing of a complaint, an investigation by its staff as to the cause of the complaint. The staff shall file a report of its findings with the commission and all parties to the complaint case. The investigative report shall not be made public unless released in accordance with section 386.480, 392.210(2) or 393.140(3), RSMo, or during the course of the hearing involving the complaint.
- (11) When the commission determines a hearing should be held, the commission shall fix the time and place that a hearing will be had upon the complaint and shall serve notice upon the affected person, corporation or public utility not fewer than ten (10) days before the time set for the hearing, unless the commission shall find the public necessity requires that the hearing be held at an earlier date.
- (12) All matters upon which a complaint may be founded may be joined in one (1) hearing and no motion for dismissal shall be entertained against a complainant for misjoinder of causes of action or grievances or misjoinder or nonjoinder of parties.
- (13) Formal complaints must comply with the filing requirements of 4 CSR 240-2.080 and 4 CSR 240-2.040.

AUTHORITY: section 386.410, RSMo 1994.*
Original rule filed Dec. 19, 1975, effective Dec. 29, 1975. Amended: Filed Nov. 7, 1984, effective June 15. 1985. Amended: Filed June 9, 1987, effective Nov. 12, 1987. Rescinded and readopted: Filed March 10, 1995, effective Nov. 30, 1995.

*Onginal authority 1939, amended 1947, 1977.

2. As the basis of this complaint, complainant stat	es the following facts:

During the months of June and July, 1999, we have experienced low voltage or brief power outages on a daily basis. These power surges can be very detimental to appliances, conjuters, etc... However, the greatest concern is the total power outages for 2,3 yor more hours, more than 2 days per week, during extremely hot weather. I am concerned about the safety of our refridgerated and foron foods, the damage to our appliances, and the lack of foods or has asthma, air conditioning for my son who

3. The complainant has taken the following steps to present this complaint to the respondent: have notified Ameren UE during every power cutage to report our loss of power through the telephone and their computarized voice. A meeting was held on July 28,1999 with over 100 people attending to address the problem. Local tu stations and the local newspaper have provided coverage about the power surges and power outages. Apparently it takes more than one voice to solve this problem.

WHEREFORE, Complainant now requests the following relief:

We request that Ameres UE correct this problem immediately!

Not in a years time when their budget can provide the mories needed. An Ameres UE representative stated in the Mille County Acutegor that those in great need of electricity should purchase a August 3,1999

Signature of Complainant Signature of Complainant Generator. I hope that this is not how they plan to "solve" the problem. They provide a Service that we pay for. When deregulation occurs, the citizens of the Ulman area will remember how Ameres UE handled the problem!

Also enclosed is a pamphlet providing information about Gascosage Electric Cooperative and answering some of the questions you may have. To further answer your questions, you may call or write either company as follows:

AmerenUE P.O. Box 1558 Jefferson City, MO 65102 (573) 681-7517

4

Gascosage Electric Cooperative P.O. Drawer G Dixon, MO 65459 (573) 759-7522

We are able to answer your questions by phone, but should you desire to meet with us one on one, representatives from both utilities will be available on October 20, 2001 from 11:00 AM to 3:00 PM at the public school in Iberia. This will be only for customers who are affected by the exchange so please bring this letter with you if you decide to come.

You may also wish to contact the following Missouri government agencies that will be involved in this process.

Missouri Public Service Commission Governor Office Building, P.O. Box 360 Jefferson City, MO 65102 (573) 751-3234 Office of Public Counsel P.O. Box 7800 Jefferson City, MO 65102 (573) 751-4857

Once the proposed exchange is approved, you will be notified when to expect the actual exchange to take place and will receive information about your new service from Gascosage Electric Cooperative in advance. Both utilities will work together so that the transfer of electric service will be of only minimal inconvenience and at no cost to you.

Sincerely,

LARRY MERRY

RE: Notice of a Proposed Sales Agreement between AmerenUE and Gascosage Electric Cooperative

Dear Ms. Hogerty:

Union Electric Company, now doing business as AmerenUE, (AmerenUE) and Gascosage Electric Cooperative (Gascosage) are considering a proposed agreement to exchange some distribution facilities and customers in and around the Brumley area. We expect to be filing this agreement along with an amendment to the existing territorial agreement between the suppliers in the near future. AmerenUE will be notifying its affected customers of the potential transfer by letter. (Enclosed, for your information, is a copy of the notification letter and associated documentation.)

As you can see from the enclosed letter, both companies want to assure customer questions are answered. To that end, representatives of both companies will be available to answer customer questions one-on-one on October 20, 2001 from 11:00 AM to 3:00 PM at the public school in Iberia. Members of the Commission or its Staff should feel free to attend these meetings.

Sincerely,

Larry D. Merry District Manager

Budget Payment Plan

Qualified members pay one steady amount for eleven months out of the year.

Luther A. Riddle Scholarship

Ten area seniors are selected every year to each receive a \$500 scholarship to an accredited college, university, technical school or trade school.

Distance Learning

Gascosage Electric Cooperative was instrumental in assisting local schools in the funding and installation of Distance Learning tools using fiber optics.

NRECA Survey Results

An outside survey authorized by the National Rural Electric Cooperative Association indicated that 93% of Gascosage members would recommend the co-op to family and friends, and 90% would prefer to have their electricity distributed by the cooperative.

When asked to choose a phrase to describe Gascosage Electric Cooperative, top responses were 'excellent service' and 'memberowned'.

Receiving electricity from both Gascosage Electric Cooperative and a local company continue to be very important to members.

Overall member satisfaction with Gascosage Electric Cooperative is rated at 8.4 points out of a possible 9 point scale.

Gascosage Electric Cooperative's main objective is to provide the highest quality electric service at the lowest possible cost, while operating under the seven cooperative principles:

- 1. Open membership
- 2. Democratic member control
- 3. Member economic participation
- 4. Autonomy and independence
- 5. Constant education
- 6. Cooperation among cooperatives
- 7. Concern for the communities

In September, 1946, Gascosage Electric Cooperative energized its first line near Iberia, and continues today to provide electrical service to the citizens of south central Missouri.

AmerenUE

Proposed Exchange Agreement

P.O. Drawer G Dixon, Missouri 65459

People Helping People Since 1945

About the Customer Exchange Agreement

The customer exchange agreement is designed to allow utilities, such as Gascosage Electric Cooperative and AmerenUE, to exchange customers who are more reliably served by the other utility company. After careful study it has been determined that some AmerenUE customers would be better served by Gascosage Electric Cooperative. None of Gascosage Electric Cooperative's current customers will be transferred to AmerenUE.

Ownership:

A cooperative is owned by its members. Customers transferred from AmerenUE will become member-owners of Gascosage Electric Cooperative. Members have a voice in the operation of the cooperative at the annual meeting by voting on a nine member Board of Directors and any bylaw amendments. A consumer with a concern can bring it to the attention of the General Manager in Dixon, or to the Board of Directors.

Power Supply:

The geographical areas considered in the exchange agreement will have MORE POWERFUL DISTRIBUTION LINES BUILT to feed electricity to the customers. Plans also include a NEW OR REBUILT SUBSTATION to be located in

the area. This will significantly enhance voltage conditions and reliability of the power supply.

Right of Way (Tree Trimming Program)

One of the major causes of power outages is uncut-trees or fallen-tree limbs. - - - Gascosage Electric Cooperative is committed to keeping the foliage trimmed to protect people, property, and reduce the number of outages.

Reliable Service, Valuable Programs

At Gascosage Electric Cooperative, customer outage calls are answered locally 24 hours a day and service assistance is sent as quickly as possible. Gascosage Electric Cooperative's service reliability is built on the strength of being a part of an electric system that includes a transmission cooperative, Sho-Me Power Cooperative, Marshfield, and a generation cooperative, Associated Electric Cooperative, Inc., Springfield. Mutual aid agreements allow Gascosage Electric Cooperative to receive assistance from 39 other cooperatives in Missouri. During major outages, such mutual aid agreements provide Gascosage Electric Cooperative with crews from around the state that help restore service in a timely manner. Gascosage Electric Cooperative is a not-for-profit private enterprise where all revenues above the cost of doing business each year are

returned to the members in the form of capital credits. Consumers with memberships over twenty years are paid capital credits as the financial condition of the cooperative allows. Gascosage Electric Cooperative also offers a variety of services to their members. Some of these include:

Personal Service:

Customers outage calls are answered locally 24 hours a day, which allows for serve assistance to be dispatched quickly. The Lineman on duty will respond to your call. Employees will answer calls from the office during major outages. Our employees are just as concerned about your electrical problem as you are.

Satellite Offices

Pay your bill, initiate service orders, and much more at Iberia City Hall, Crocker City Hall, or at Citizens Bank of Newburg.

Automatic Payment Plan

Have your bill automatically deducted from your checking or savings account.

Credit Card Payment Plan

Pay your electric bill with a MasterCard, Visa, or Discover credit card, by phone or at one of our payment offices.

EXHIBIT 7 CUSTOMER NOTIFICATION LETTERS

September 14, 2001

Dear AmerenUE Customer:

AmerenUE and Gascosage Electric Cooperative have had discussions on a proposed exchange of some facilities and customers. The proposed agreement, which is subject to approval by the Missouri Public Service Commission, would enable both utilities to operate more efficiently. You are one of the customers who would be served by Gascosage Electric Cooperative under the proposed agreement.

We believe that this agreement will ultimately provide more reliable service to you through planned improvements. Gascosage Electric Cooperative plans to build in 'looped' higher voltage source lines. This means that even if one supply source were lost, you would not experience an outage since you could still receive power from the other source. In addition, Gascosage Electric Cooperative plans to replace 700 poles that have deteriorated over time, plus build 12 miles of new three phase electric line along Route C from Brumley to north of Ulman.

Concerning rates, both AmerenUE and Gascosage have very comparable rates. A typical residential customer who uses approximately 10,000 kWhr per year currently pays around \$62.00 per month. Under Gascosage Electric Cooperative the same customer will pay about \$1.30 additional per month. Enclosed on a separate sheet you will find a comparison of rates for both AmerenUE and Gascosage Electric Cooperative.

Gascosage Electric Cooperative will provide quick response to any service problems you may experience through the trouble response personnel who live in or near your area. Plus additional linemen will be added to the workforce to accommodate the needs of the new customers who will be served. Local offices are available to conduct business transactions and customer outage calls are answered locally.
